

Payment Deadline Communication

Dear Students, Faculty and Staff:

To ensure compliance with University System of Georgia (USG) tuition and fee payment regulations, beginning Fall 2017 the new final payment deadline will now be 4 pm on the final day of Drop/Add.

The payment for tuition and fees for currently enrolled students is due and payable by the August 4, 2017 deadline. The **final payment deadline for all students will be August 21st at 4pm.**

Students should complete the 2017-18 [FAFSA](#) by May 1, 2017 to ensure their eligibility to receive financial aid by the deadline. To view their charges and financial aid, students may click on the Financial Aid tab in Owl Express.

To ensure compliance with USG Board policy that all tuition and fees (mandatory and elective) are due and payable upon registration, students who do not demonstrate the ability to pay after each payment deadline will be deleted.
