Distance Learning Courses – Final Exam Information

Distance Learning Courses: Online and Hybrid courses which require a face-to-face final exam will be scheduled by your instructors on a date and time during the Final Exam Conflict Periods as published below.

Instructors of Online and Hybrid courses: If you require that a final exam be conducted on campus, you may schedule your final exams during the Final Exam Conflict Periods as published below.

Proctored Exams: Students taking Online or Hybrid courses must have received written approval from their instructors for a proctored exam at the beginning of the semester. Any change to that initially approved request for a proctored exam or any new request for an alternative date, time, or location of a proctored exam requires written approval by your course instructor three [3] weeks in advance of the start of the final exam week.

Exam Conflicts

If the final examination schedule results in an individual student having three examinations in one day, the student should attempt to schedule an alternative examination time with one of the three faculty members one week prior to the last day of classes.
